Important Notices

Your Duty of Disclosure

Before entering into a contract of general insurance with Chubb Insurance New Zealand Limited (Chubb), each prospective Insured has a duty to disclose to Chubb every matter that is material to Chubb’s decision whether to accept the risk of the insurance and, if so, on what terms.

It has the same duty to disclose those matters to Chubb before renewal, extension, variation or reinstatement of a contract of general insurance with Chubb.

An Insured’s duty however does not require disclosure of any matter:
- that diminishes the risk to be undertaken by Chubb;
- that is of common knowledge;
- that Chubb knows or, in the ordinary course of its business, ought to know;
- as to which compliance with your duty is waived by Chubb.

It is important that each prospective Insured understands all information provided in support of the application for insurance and that it is correct, as each prospective Insured will be bound by the answers and by the information it has provided. If a prospective Insured does not understand any part of this notice, it should obtain independent advice.

As a prospective Insured, the duty of disclosure continues after the application for insurance has been completed up until the time the contract of insurance is entered into.

Consequences of Non-Disclosure

If a prospective Insured fails to comply with its duty of disclosure, Chubb may be entitled, without prejudice to its other rights, to reduce its liability under the contract in respect of a claim or may cancel the contract. Chubb may also have the option of avoiding the contract from its beginning.

We are a member of the Insurance Council of New Zealand (ICNZ) and a signatory to ICNZ’s Fair Insurance Code (the Code). The objectives of the Code are to establish high standards of service, promote confidence in the general insurance industry and improve relationships between insurers and their customers.
